

## ***Happy Mother's Day***

A gift has been made in your honor to Village Enterprise Fund to help a struggling entrepreneur start a small business in East Africa.

*May you find JOY knowing that this gift brings self-reliance, opportunity for income, and most importantly, HOPE to communities in need.*

Village Enterprise Fund works to break the cycle of poverty in East Africa by helping the very poor start small businesses and build sustainable incomes. Each new business funded helps the rural poor in East Africa become economically self-sufficient and provides them with the tools to lift themselves out of poverty and into better housing, better health, and better education.
